Approved statewide work centers provide employment and training opportunities to Hoosiers with disabilities.

Hoosiers with disabilities produce high quality, fair priced products & services.

State agencies and units of local government purchase approved products and services.

Quantity Purchase Agreements (QPAs) for State Use products have been established through both the Department of Administration (DOA) and Department of Transportation (DOT).

Preferential purchasing program with no competitive bidding.

30+ years of business with the State of Indiana.
